*** I understand that if my proposal is accepted for presentation at Psychedelic Science in the 21st Century that:**

- 1. I am responsible to register and pay registration fees to attend the conference.**
- 2. If I wish to pay for the scholarship rate, I will apply for the scholarship on the conference registration page.**
- 3. I understand that registration fees do not include travel and lodging, and that I am responsible for my own travel and lodging fees (MAPS suggests that you stay at the conference hotel – it was chosen for reasonable prices and several meals are included in the room rate).**
- 4. I will present at the time allotted to me and I understand that the conference organizers will decide the time and length of my presentation. The organizers will take my preferences into consideration, but the organizers cannot make any guarantee that the length and time I request will be available.**
- 5. Various media outlets will be at the conference and I may appear in a news story.**
- 6. I will conduct myself in a respectable manner throughout the duration of the conference because as a presenter I am a representative of the conference.**
- 7. MAPS and their associates may video or audio record my presentation and show that presentation at a later date; I give MAPS permission to use video or audio recordings, and photographs of my presentation. I understand that no royalties will be provided and I do not stand to gain monetarily from subsequent viewings of my presentation.**
- 8. I will send my curriculum vitae or resume and a headshot with a minimum of 300 pixels per inch and a minimum of 1.5 inches wide and 2 inches tall attached to an email to conference2010@maps.org with my name in the subject line.**
